

# Insect Study

## Merit Badge Clinic

Cost  
\$5.00

**Saturday, June 10th, 2023 from 1:00 PM – 5:00 PM**

**Bluegill Bay Park (North Section), 153030 Oriole Ln, Wausau, WI 54401**

**Pre-requisites/homework - Requirements 5a & 5b:** *Do the following: (a) Observe 20 different live species of insects in their habitat. In your observations, include at least four orders of insects. (b) Make a scrapbook of the 20 insects you observe in 5a. Include photo-graphs, sketches, illustrations, and articles. Label each insect with its common and scientific names, where possible. Share your scrapbook with your merit badge counselor.*

(Scouts should start this but do not need to finish prior to June 10th.) There will not be enough time to locate/identify/document 20 unique live insects but we will use the time to locate/identify/document a few.

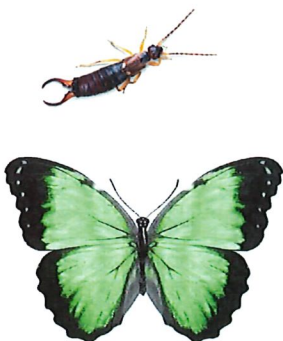

We will have guest speaker from Marathon County Beekeepers Association to help with **Requirement 10(b)** *Study a hive of live bees.*

We will provide a live butterfly caterpillar for the scouts to take home for **Requirement 9** *Raise an insect.*

***REGISTER ONLINE AT SAMOSET.ORG***

---

*\*In order to complete this merit badge and receive signoff for completion. Scouts will first need to complete requirement(s) 5a/b and 9. Scouts will then contact their merit badge counselors to schedule a zoom call. They will show and describe their scrapbook and report on the status of their butterfly with Success or not.*

Scouts should bring:

Water bottle  
Signed blue card  
Pen and paper  
Scout uniform  
Positive attitude  
Chair - Optional
